## WHAT IS GUMSA & WHAT DOES GUMSA DO?

The Griffith University Muslim Students Association (GUMSA) is the peak body for Muslim students studying at Griffith University. GUMSA exists to serve the needs of Muslim students and to foster an environment of understanding and respect amongst all students and staff at Griffith University regardless of race, culture or religion. GUMSA endeavors to bring every Muslim student at the University closer to God, through furthering our understanding of the Quraan and the Sunnah of Prophet Mohammad (PBUH).

GUMSA also seeks to grow strong ties between the other Muslim Students' Associations in Queensland, namely QUTMSA and UQMSA. Within Griffith, GUMSA shares strong ties with University, with other Muslim organizations (eg. Saudi club), other faith groups, the Griffith Islamic Research Unit (GIRU) and the Multi Faith Centre.

We envision every Muslim graduate from Griffith University as a constructive Muslim leader of Australian society or wherever they reside. We are here as a MSA to serve the needs of the students. Any students in need of assistance in any shape or form is more than welcome to contact the MSA, and InshaAllah the MSA will help students to the best of their abilities.
